April to July 2021

Adult Learning & Skills Service

Rutland

We have produced this brochure in the hope that we will have permission to return to classroom learning. If this is not the case, or further restrictions are applied, some classes may go to online delivery, but other face-to-face classes will again need to be cancelled or postponed.

RALSS has assessed government guidance, together with information from Public Health England, regarding the COVID-19 pandemic. The health and safety of our students is paramount, and measures are in place to make sure that, whilst at RALSS, everyone can remain safe. All staff and students will have to meet strict rules for hygiene, cleaning, personal protection and social distancing. We ask you to always abide by our new safety procedures.

What plans do we have for your protection?

- Classrooms have limited capacity due to the need to comply with social distancing guidelines
- Some courses may be delivered online, and a blended learning model could apply to some qualifications (i.e. a mix between classroom-based learning and online delivery)
- Learners' workstations are socially distanced
- There is a one-way system in the corridors, with a separate entry and exit
- Tutors have their own equipment
- Tables and touch points are cleaned between classes
- Hand sanitisers are available in corridors and classrooms
- Toilets are only available to one user at a time
- The vending machines have been removed
- The water machine is accessible, but cleaned regularly

What will we ask you to do?

- Enrol and pay by phone, rather than in person, if possible.
- Not attend class if you have been in contact with anyone suspected of having the virus, or if you have symptoms such as a cough, fever, or loss of/change in sense of taste or smell.
- If you are able to, wear a mask whilst in the corridors or moving around the classroom.
- Regularly use the hand sanitisers in the corridors and classrooms.
- Bring your own equipment for each class.
- Stick to the one-way system in the corridors.
- Leave via a different door to prevent contact with the next class entering the building.
- Take breaks in your classroom (please bring your own supplies and container).

Who are they for?

Apprenticeships are for anyone over the age of 16 living in England and not in full-time education. Employers can offer apprenticeships to new entrants or use them to grow talent from among current employees. Apprenticeships are free to the learner as they are government funded, making them an ideal route into a new job or a way to develop your skills and progress your career with your existing employer.

"...As well as teaching me how to work in a business environment, how to engage with colleagues and the A-Z of office etiquette, doing an apprenticeship has also increased my confidence and given me a sense of job satisfaction that I feel very lucky to have at a relatively young age. I'd recommend doing an apprenticeship to anyone; it has set me up for life and was well worth pushing myself out of my comfort zone for!" - Business Administration Apprentice

Employers

We offer a range of Apprenticeship Standards which have been designed to be relevant for each occupational area and the needs of your business. Government funding for apprenticeships includes an employer incentive payment of £1,000 for employers taking on an apprentice aged 16-18, or 19-24 if on a Local Authority EHCP plan, or have been in care. If you have less than 50 employees, apprenticeship training for those who fit the above criteria will be fully funded. For apprentices aged 19+, the government will continue to fund 95% of the apprenticeship programme whilst a 5% investment is required by the employer.

Apprenticeships we currently offer:

- Business Administration - Level 3
- Customer Service – Levels 2 and 3

- Early Years – Levels 2 and 3

See our website or contact Charlotte Law for more information. Tel 01572 758283 or email charlotte.law@peterborough.ac.uk or RALSS.enquiries@stamford.ac.uk
