The Uppingham Hopper

Could you spare 3 hours two or three times a month? Do you have a full driving licence? Want to help your community? Would you like to talk to the team before making up your mind? Call the Uppingham Hopper team on **01572 49 50 50**

Uppingham Neighbourhood Plan Call for Community Representatives

Uppingham Town Council wishes to contact all individuals and community groups in the town interested in being represented on the newly created UTC Neighbourhood Plan Sub-committee. This Sub-committee will support the development of the town's 3rd Neighbourhood Plan, commencing this Autumn.

Groups/Individuals interested in being represented on the Sub-committee will be contacted directly by the Town Clerk. If you are such a person, or lead such an interested group, please submit a group/individual name and appropriate contact email address to townclerk@uppinghamtowncouncil.co.uk asap.

All replies will be acknowledged.

Round Rutland Run Sunday September 1st 2024

Over 30 classic vehicles are already booked into this year's Round Rutland Run which is organised by the award winning Community Partnership Uppingham First and starts from Uppingham Market Place. More details and the run's route are available at www.stiltoncheeserun.uk

Unwanted Tools for Africa

The Forum is again supporting an Uppingham Rotary project in aid of the charity "Tools With A Mission" to help the club collect unwanted or broken tools of all types. Once collected, TWAM workshop volunteers repair and refurbish those tools, organise them into sets which could support small business start-ups and ship them to four countries in Africa. For more information have a look at the website <https://www.twam.uk>

Want to help? If you want to declutter your garage or shed and have tools you no longer want, let the Forum know by calling 01572 823465 and we will arrange a collection.

Rotary
Club of Uppingham

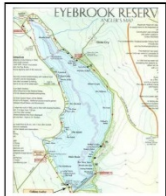

The Rotary Club of Uppingham
invites you to join us on:

or telephone 01572 822568

Registered charity: 1135799

Registered charity: 506120

Uppingham Hopper – Do You Support It?

There are many ways for residents to support the Uppingham Hopper bus which runs Monday to Friday from 10am and 4pm.

Some folk use it regularly to go to the shops or the surgery or the garden centre. Some use it as a connecting bus to get to Oakham or Corby via the RF1 service bus. Others don't feel the need to use it yet as they can still drive, but generously make a regular donation to ensure its continuity.

Increasingly the bus is being booked evenings and weekends to take resident groups to the theatre, cinema or a rugby game. It has ferried Uppingham families to special events and supported numerous young people with journeys to a wide range of sporting and cultural events.

The Uppingham Hopper is owned and operated by the Uppingham First Community Partnership on behalf of the local community. Want to know more? Call Ron on 01572 823465 or email rons@clara.net
