Dedicated Neighbourhood Police Community Support Officer, Andy Wylie

Uppingham Town Beat Priorities

Road Safety

Through our consultation with you we have identified Road Safety as being a priority the people of Uppingham want us to address, specifically adherence to 30mph speed limits.

What we are going to do: We will provide a frequent high visibility policing presence to the affected areas with marked vehicle patrols and regular monitoring. We will deploy the speed gun device and deal with offenders robustly where appropriate. We will also continue to work with partner agencies, such as the Road Safety Partnership mobile speed camera van, to identify areas of concern and request deployment of that resource. We will then continue to publish the enforcement statistics on the Neighbourhood Link messaging service, www.neighbourhoodlink.co.uk

Uppingham Town Beat Priorities

Road Safety

Action taken:

During the previous three months the beat team have provided a frequent high visibility policing presence to the affected areas with marked vehicle patrols and regular monitoring, as well as school parking patrols.

During May 25 the beat team have provide a frequent high visibility policing presence to the affected areas with marked vehicle patrols using ANPR and regular monitoring has taken place using our speed gun device. Speeding and noise caused by motorbikes has been raised as a issue across Rutland and our Road Policing Team have assisted us in tackling this issue.

The results from the mobile speed camera van visits to all locations in Rutland can be viewed at www.speedorsafety.com

Uppingham Town Beat Priorities

Anti-Social Behaviour

Through our consultation with you we have identified ASB as being a priority the people of Uppingham want us to address.

What we are going to do: We will complete high visibility patrols of hotpot areas, investigate reported incidents of ASB, work with partner agencies, utilise the incremental approach and deal proactively with offenders with a view to providing a positive resolution that is fair and robust.

Uppingham Town Beat Priorities

Anti-Social Behaviour

Action taken:

During the last three months we are pleased to report there has been a drop in reported incidents of ASB in Uppingham.

During May 25, the beat continued with regular patrols of areas of concern to residents. Only one incident had to be dealt with over the period. The beat team also spoke with some of the residents of Todd's Piece about ASB at a recent beat Surgery. We will continue to show presence, working with partners where appropriate to manage ASB throughout the town.

We cannot be in this area 24/7, if you see ASB taking place please report it.

If you wish to report ASB in your area, please contact via 101 or report it online via www.leics.police.uk

Uppingham Town Beat Priorities

Drugs

Through our consultation with you we have identified that the selling and use of drugs as being a priority the people of Uppingham want us to address.

We have been working hard on the intelligence picture around drug supply and have been actively targeting those bringing drugs into the community. Already there has been some fantastic results and numerous vehicles stopped, criminal property seized, and arrests made.

Uppingham Town Beat Priorities

Drugs

Action taken:

During the last three months I have been using the ANPR systems, and police intelligence as well as good old police officer suspicion to stop and search a number of vehicles across Rutland.

Nowadays, the majority of the drugs making their way into Rutland is done so by vehicles who complete drug drops. These vehicles connected to drug supply often travel all over Rutland and are often stopped before they enter Uppingham.

In a short amount of time, I have stopped over 20 vehicles connected to drug supply, this has led to drugs and cash being seized as well as numerous arrests and ongoing investigations. These stops have prevented drugs from being brought into Uppingham and the wider Rutland area.

Crime Statistics

Rutland has one of the lowest crime rates of any UK Mainland county.

Uppingham has one of, often *the*, lowest crime rate in the entirety of Leicestershire and Rutland.

We want to keep it this way.

Uppingham Town Beat 3 Month Crime Statistics

Crime and Policing report March
